Thursday, September 28, 2017  2-190 NVC    6:00- 7:30 PM
**Mastering the Job Interview Effectively**
Are you ready to interview? Do you know how to articulate success stories during the interview? The workshops will educate you on the steps to follow before, during and after the interview to increase your chances of landing a job. Find out what challenging questions employers are asking during the interview and learn how to follow-up afterwards.

Thursday, October 5, 2017   2-190 NVC    6:00- 7:30 PM
**Effective Networking and Job Search Strategies**
Learn how to use social media for research, networking and career development as well as having an online presence. We will identify how networking should be part of your job search strategy. We will cover proper etiquette for approaching both warm and cold contacts through LinkedIn and how to expand your network and follow-up with former colleagues or personal contacts and many other valuable tips.

Thursday, October 12, 2017  2-190 NVC    6:00- 7:30 PM
Victoria Rodrigues, VJR Enterprises
**Negotiating Like a Boss**
The workshop focuses on tips and strategies to gain the confidence you need to ask for what you want and deserve. Participants will learn that everything is negotiable during the offer process including compensation, location, corner office vs. back office, benefits, sign-on bonuses, and more.
