Baruch CAPS Idea Exchange

A Series of Workshops for Faculty

Time/4:30 PM to 6:00 PM

Place/14th Floor Vertical Campus
(Room to be announced)

Facilitator/W.J. (Hap) Bojsza

Curriculum Developer
Continuing and Professional Studies

The Baruch CAPS Idea Exchange starts its Fall season with a workshop on **Testing, Evaluation, and Feedback**.

Since adult learners learn best when they are involved in shaping and directing their education, feedback from a class is important. However, class participants are notorious for their silence. How do we make feedback happen?

Instructors view assessment and testing as an equally vital issue. The workshop will look at ways of designing tests that are valid, reliable, efficient and agreed to by all stakeholders.

Tuesday/September 30, 2003

⊕ Testing, Evaluation and Feedback

Tuesday/October 28, 2003

⊕ Teaching Adult Learners

Tuesday/November 25, 2003

⊕ Using Web Resources

Tuesday/January 27, 2004
