Important legal information

Investment returns are not guaranteed, and you could lose money by investing in the plan.

A plan of regular investment cannot ensure a profit or protect against a loss.

Before you invest, consider whether your or the designated beneficiary's home state offers any state tax or other benefits
that are only available for investments in that state's qualified tuition program.

For more information about New York's 529 College Savings Program Direct Plan, obtain a Disclosure Booklet and Tuition
Savings Agreement by visiting ny529atwork.org or by calling 800-420-8580. This includes investment objectives, risks,
charges, expenses, and other information. You should read and consider them carefully before investing.

The Comptroller of the State of New York and the New York State Higher Education Services Corporation are the Program Administrators and are responsible for
implementing and administering the Direct Plan. Ascensus Broker Dealer Services, Inc., serves as Program Manager and, in connection with its affiliates, provides
recordkeeping and administrative support services and is responsible for day-to-day operations of the Direct Plan. The Vanguard Group, Inc., serves as the Investment
Manager. Vanguard Marketing Corporation markets, distributes, and underwrites the Direct Plan.

No guarantee: None of the State of New York, its agencies, the Federal Deposit Insurance Corporation (FDIC), The Vanguard Group, Inc., Ascensus Broker Dealer Services,
Inc., nor any of their applicable affiliates insures accounts or guarantees the principal deposited therein or any investment returns on any account or investment portfolio.

New York's 529 College Savings Program currently includes two separate 529 plans. The Direct Plan is sold directly by the Program. You may also participate in the Advisor
Plan, which is sold exclusively through financial advisors and has different investment options and higher fees and expenses as well as financial advisor compensation.
