

CUNY Campaign for Voluntary Charitable Giving 2011-12 Launches!

Baruch College employees can now participate in the CUNY Campaign for Voluntary Charitable Giving 2011-2012. This program is the City University's only all-campus donation drive! It allows faculty and staff to give to charities of their choice through direct payroll deductions. Contributions can be made by check or payroll deduction through December 16th. Complete campaign details are available [here](#).

Employees can support all participating organizations as a whole, a group of cause-specific agencies, or one specific nonprofit important to them. Faculty and staff interested in contributing can pledge directly by clicking [DONATE ONLINE](#) or by completing the [pledge form](#) and returning it to Campus Coordinator, Hillary Cohen, at interoffice mailbox A1603.

CUNY welcomes contributors of \$20 per pay period or more into its Leadership Giving Circle and contributors of \$40 per pay period or more into its Chancellor's Circle. Participants pledging before November 23rd are eligible for the Early Bird Contest prize – an iPad2!

Faculty and staff wishing to support Baruch College itself, use designation code #1352, and donations totaling \$1,000 or more to the Baruch College Fund will be recognized as members of the [17 Lex Society](#), as well. For more information, contact Campus Coordinator, Hillary Cohen, at x6087 or Hillary.Cohen@baruch.cuny.edu.
