PROBABLE MAKE-UP OF THE TRACK AND FIELD TEAMS.

The City College Athletics Association Preparing for the Annual Spring Games—Events and the Entries—The University of Pennsylvania and Cornell Decide to Go to Minneapolis for Their 'Varsity Relay Race—Football Match at Princeton Will Compete for a Cup.

The nineteenth annual Spring games of the College of the City of New-York Athletic Association will be held at Manhattan Field on Friday, May 5, at 2:30 p.m. The events are those which are held annually: 100 yard dash, 220 yard dash, 440 yard dash, 800 yard run, one mile run, three mile run, two mile (6 minute) hurdle, high jump, broad jump, and pole vault.

As attractive to the students, the committee will offer to send all men to the intermediate games who reach the following standards: 0:11 in the 100- yard dash; 0:23 in the 220- yard dash; 0:45 in the 440- yard dash; 2:30 in the 800- yard run; 4:30 in the 1 mile run; 5:30 in the 3 mile run; 9:30 in the 6 minute hurdle; 5 feet 6 inches in the high jump, and 18 inches on the broad jump. The contests are of a nature more interesting than usual from almost every point of view, chiefly because the scratch man in nearly all the events will have had the loss of indoor training, and the result of this new feature will be closely watched by all the students with great interest.

The inter-collegiate team has the following members—John McCallum, who, when the weather permits, on Manhattan Field, with the advice of Professor Fisk, is having an excellent season, is scheduled to compete in the hurdles, and T. J. Klieven, '97, and Jack Huett, '97, who have been seen at the track and field exercises. In the hurdles, C. E. Schuyler, '97, and C. B. Bantam, '97; in the high jump, T. H. Morgan, '97, and V. Jacobsen, '97; in the broad jump, C. M. Cullen, '97, and D. M. Brown, '97; in the pole vault, W. M. Earle, '97, and C. P. Jervis, '97, will compete.

The Inter-Collegiate game will be played between the Colleages of the City of New York and Columbia colleges. This game will be of much interest to the students and the alumni of both institutions.

All the events are handicap.

The following is the probable make-up of the teams:
