No matter where you’re from or how far you want to go, there’s still a place where you can achieve the American Dream.

It’s called Baruch.

For almost 100 years, students have come to us from diverse origins, not just to excel, but to achieve their dreams. They have always been, and still are, the embodiment of ambition, determination, and perseverance. With those high ideals they’ve met the challenges of our demanding, first-class faculty and helped Baruch become the well-regarded college it is today. It’s never easy. But our students have always had the drive and dedication to get where they want to go. They are the living proof of what we believe: the American Dream still works.
