FACULTY'S RECOMMENDATION FORM
FOR CURRICULAR PRACTICAL TRAINING
(This form is to be used by Undergraduate Students Only)

The information requested is needed to comply with US Citizenship and Immigration Services (USCIS) regulations.

CPT is employment that is an integral part of an established curriculum. It is defined to be alternative work/study, internship, or cooperative education arranged with the approval of your program, or any type of required internship or practicum that is offered by sponsoring employers through cooperative agreements.

CPT may take place during the academic year and/or in the summer session/s and **MUST** be undertaken prior to the completion of a course of study. This is because USCIS uses a broad definition of employment – any activity for which a student receives a benefit, monetary or otherwise – even unpaid internships require CPT authorization.
