## BA IN MUSIC

**42** Pathways Credits

**9** Pre-Weissman Credits

**30** Major Credits

**39** Elective Credits

The degree map is a term-by-term sample course schedule to make it easier for you to understand how to graduate in four years with a Music major. Use the Degree Map along with DegreeWorks as tools to assist you in planning your academic path to graduation. Your specific program of study could, and probably will, look different. You need to customize your Degree Map to fit your individual needs.

NOTE: A minimum 120 credits is required for the Bachelor of Arts (BA) degree. A minimum of 90 liberal arts credits is required for the BA. FYS 1000 is a requirement for the first term at Baruch College and MUST be completed in order to graduate.

## Notes about the Major

- MSC 3043 is only offered during the fall semester, and MSC 3044 is only offered during the spring semester
- Students following the prescribed curriculum with a major in music will learn about the broad historical and cultural context in which the art is developed as well as study music literature, history, theory, and musicianship. Such study is intended to provide a base from which subsequent advanced training may be undertaken.
- The department expects that all students majoring in music will participate each semester in a performing group sponsored by the Music Program.
- Students interested in this major should consult with the Department of Fine and Performing Arts, located in VC 7-235.
