Logging On

After you have claimed your account, you will receive a confirmation screen with your user name and EMPLID (Employee ID). Please print or save that screen for future reference. Your CUNYfirst user name typically will be your first name and last name, with a dot in-between the two names. Added to that would be the last two digits of your EMPLID. For example, John Smith would be john.smith12.

Your password is the password you entered when you claimed your account.
