Greetings From The Office Of Student Life

Greetings! September is in full swing and we are thrilled at the exciting events planned for this semester. Make sure you step into celebrating Latino Heritage Month and check out the slew of mediation and yoga classes that our health services have lined up for you this fall. While you are busy getting comfortable in your club space and getting to know your community mates, check out some helpful reminders in the back of this newsletter. Our Club Fair was a huge success with 87 clubs participating this year. Leadership Weekend is October 21. Make sure to keep an eye out for your application.

Club Happenings: ClubConnect

Baruch USG hosted its first “Club Social” Tuesday, September 20. During Club Social, the idea of club ClubConnect was launched. ClubConnect is a USG initiative to increase co-sponsorship amongst clubs and organization on campus. In the past, there have been many wonderful events but as a result of competition attendance rates are relatively low. With ClubConnect, USG will help clubs and organizations work together to create better and more financially ideal events. The person heading this project is Robert Smith, VP of Student Services. He can be contacted at robert.smith@baruchmail.cuny.edu

Promote Your Organization with WBMB

WBMB is now offering airtime for clubs and organizations to promote their upcoming programs and events to the Baruch community. If interested in using commercial or radio programming, send an e-mail to wbmbprograms@gmail.com.

To schedule a recording session, send an email to wbmbproductions@gmail.com. For all other inquiries, stop by room 3-280.

Halloween Blood Drive

Baruch’s Halloween Blood Drive will take place on Tuesday & Wednesday, October 25th & 26th in the NVC 1-107 from 11 AM to 4:30 PM. We are out for all types of blood this Halloween. Make a commitment to saving lives before it’s too late. To register, go to baruch.collegiatelink.net and click under Campus Links to fill out the online registration form. You can also stop by our Tiki Hut located in the 2nd floor lobby.

Baruch Health Week 2011

October 3-6 is Baruch College Health Week. Life as a college student is hectic, and sometimes stressful. Health week is designed to showcase how vital it is to adopt healthy behaviors, which not only enhance short term potential but lay the foundation for a lifetime of personal and professional achievement.

Announcing

Baruch's Halloween Blood Drive will take place on Tuesday & Wednesday, October 25th & 26th in the NVC 1-107 from 11 AM to 4:30 PM. We are out for all types of blood this Halloween. Make a commitment to saving lives before it’s too late. To register, go to baruch.collegiatelink.net and click under Campus Links to fill out the online registration form. You can also stop by our Tiki Hut located in the 2nd floor lobby.

Please turn over for additional Important Club and Organization Information.
1. Please remember to take all leftover food and trash from your meetings and events and place it outside your club room. No food or trash should be left behind after any type of meeting.

2. Please provide more detailed descriptions of events when filling out the event registration form on Collegiate Link. Many organizations are doing a great job, but many are not providing enough information. A limited description is cause enough for the event to be canceled.

3. As you are planning upcoming events, please remember that the majority of events should end by 10:00pm. You will need special permission from your advisor to host an event that lasts past 10:00pm.

4. The Collegiate Link Club Re-registration deadline is **October 15th** at midnight. In order to access your club budget or reserve a room at any point throughout the year (Fall or Spring Semester) you must register by the deadline. Approval for your registration will be given once the President and Treasurer have attended a BOLT workshop. You can register for a BOLT workshop at:
