How to Add Users to Blackboard

**Step 1)** Collect the User’s **EMPLID**. You will need to enter this info to complete the process.

**Step 2)** Log into your course on Blackboard.

**Step 3)** On the left, under the Course Management panel, click “Users” within “Users and Groups”.

**Step 4**) Click “Find Users to Enroll”

![Image showing the Find Users to Enroll feature]

**Step 5**) Enter the EMPLID of the individual you want to add to your course in the text box circled in red. Make sure to assign the proper “Role”, (Student, TA, Grader, Instructor, etc...) circled in blue.
