Baruch College now offers a convenient, secure way for Students, Faculty and Staff to connect their wireless devices to our secure wireless network. This guide will describe how you can connect your iPhone in a step-by-step manner.

Requirements:
iPhone with the most recent iOS software update installed
Step 1
Make sure your wireless is turned on and is showing all available networks. Go to your phone settings via the Settings icon.

Once there, select “Wi-Fi”.

If you are in range of a wireless access point while on campus, you will see the access point listed as “Baruch” as a choice.

Select “Baruch”.
