

GIS Lab at the Newman Library, Baruch College CUNY

Need to find census data? Study places? Make maps?

We specialize in demographic data and geographic information systems. Make an appointment with Geospatial Data Librarian Frank Donnelly at: francis.donnelly@baruch.cuny.edu

- ▶ **Services:** research consultations, project assistance, workshops, tutorials, geodata portal, work space
- ▶ **Software:** QGIS, PostGIS, ArcGIS, CARTO, SQL, Python, R
- ▶ **Location:** Library and Tech Building, 9th floor, room 951
Visits are by appointment only

Schedule for Spring 2019

Wed 9:30am-5:30pm, Thu & Fri 9am-4:30pm

After spring break hours will be extended to include Mon & Tue

Services are for *current* Baruch undergrads & CUNY graduate students, faculty, and staff
Schedule subject to change, visit our website for details (Google: "Baruch GIS Lab")
