

# Taxation (MBA)

For additional program information see the [Zicklin School website](#)

The MBA program in taxation provides the broad-based managerial and tax background as well as the necessary research tools for those who wish to specialize in tax planning and tax counseling. Students who would like a more intensive specialization should consider the [MS in taxation](#) program.

Candidates with an undergraduate degree in accounting and an MBA or MS in taxation may, with certain additional courses, be eligible for a reduction in the professional experience requirement satisfactory to the State Board of CPA Examiners. Program advisors can provide students with the necessary information.
