Additional Grades

The following grades are also used on the transcript. A definition of each of these grades appears below.

INC	Given only when the student has earned an average term grade of 50 percent or better for work already completed, but the term's work is incomplete and the instructor agrees that the reason for the lateness is valid. Completed assignments must be handed in to the instructor so that the grade can be resolved by the end of the final examination period of the subsequent semester, or it becomes a grade of FIN, the equivalent of F.
P	Only allowed to students in the Weissman School of Arts and Sciences. Read Pass/Fail option in the Undergraduate Guide to Academic Policies and Procedures and follow the proper procedure. This grade is also used when you complete a non-credit bearing course. The P grade is not included in GPA calculation.
W	Assigned to students who officially drop a course after the refund period and prior to the completion of two-thirds of the semester.
R	Course must be repeated until minimum proficiency is attained.
AUD	Only for nondegree students (an auditor or listener in the class). No credit granted.
CR	Credit earned (transfer credits, military service, or exemption credit). Grades in these courses are not included in computation of the scholastic index or in computing class standing.
Y	An intermediate grade assigned after the first of a multi-semester Honors sequence course to signify work in progress. The Y grade is not included in calculating the grade point average. Each Y grade is replaced by the earned letter grade when the sequence has been completed.
PEN	Pending. Assigned when a student's coursework is under review by an academic committee for possible infraction of academic integrity standards.
WA	Administrative withdrawal, given when a student fails to document compliance with New York State Public Health Law 2165 regarding measles, mumps, and rubella within 30 days of the start of the semester (45 days for international students). Non-punitive.
WD	Assigned to students who officially drop a course and incur tuition liability. Non-punitive and does not appear on transcript.
WN	Assigned to students who never attended and did not officially withdraw. Non-punitive.
WU	Withdrew unofficially. Student attended at least one (1) class session. A WU may not be assigned if a student has taken the final examination.
