

# Active Data Calendar Space Reservation Workflow

The roles, workflow and approval process described below are based on the requirements outlined in the College's [Space Reservation Policy](#).

The reservation process involves:

1. [Event Organizer - Creation of the event and approval/rate category request to Dean/VP](#)
2. [Dean/VP - Event review and rate category selection for event](#)
3. [Event Organizer - Modification and release of event for Space Manager approval](#)
4. [Space Manager - Review and approval/denial of facility request](#)
5. (Optional if facility request is denied) [Event Organizer - Request of alternative facility](#)

## 1. Event Organizer - Creation of Event and Rate Category Request to Dean/VP

**The Event Organizer will create an event using the calendar administrative interface (similar to the current process) selecting a facility and saving the event. Using the “Send Notification” option the Event Organizer will notify Dean/VP of event and request comment on event priority (priority rating, rate category, etc.). Event will only be visible to the Event Organizer at this point and no workflow for facilities will be kicked off.**

A step-by-step guide of adding an event to the calendar and booking a facility is available at [Active Data Training Calendar Training Guide - Adding an event to the calendar](#)

1. Create an event.

## 2. Dean/VP - Event review and rate category selection for event

**This section has been amended to remove the use of comments in the workflow. Please use email to communicate the rate category to the event organizer.**

The Dean/VP will receive an email and click on a link in the email to view the event details. A single web page will present the event details.

1. You will receive an email with a link to the event details. Click on the link to see the event details.

To: [REDACTED]

Cc: [REDACTED]

**Subject:** Rate Category Request

Event Name: Sample Event

Start Date/Time: 5/31/2014 9:00 AM

End Date/Time: 5/31/2014 11:00 AM

For a list of rate categories, please see Appendix B under the Space Reservation Policy: <http://www.baruch.cuny.edu/spacepolicy>

Click the link to view the details of the event and to add a comment back to this calendar user.

 |

3. The Dean/VP workflow process is completed for the event after emailing the Event Organizer the rate category.

### 3. Event Organizer - Modification and release of event for Space Manager approval

The Event Organizer will check their email to see if a rate category has been sent by the Dean/VP. If an email has been received, the Event Organizer will set the rate category, as indicated in the email and the event will be released. If event's facility is within the Event Organizer's jurisdiction, the event will show up in calendar upon the event's release. If the event's facility is outside of Event Organizer's jurisdiction, release of event will trigger facility workflow. The event will not show up in public calendar until the facility is approved.

1. Check your email to see if a rate category has been sent by the Dean/VP.

6. Upon submission of the event, you will see a message indicating that the event will be put into the workflow instead of the normal successful publish to calendar message. In this case, the Space Manager will receive an email.

**Modify/Cancel/Delete Event**

The event has been modified successfully and notice has been sent to the appropriate department administrator(s) and/or category owner(s) that need to take further action on the event.

#### 4. Space Manager - Review and approval/denial of facility request

The Space Manager will check if a rate category has been set and approve or deny the facility request, triggering email to the Event Organizer. Approval of facility will result in event being displayed in calendar. Denial of facility request will require the Event Organizer to select an alternative facility and release the event, triggering facility workflow again.

1. Space Manager will receive an email indicating a facility request for an event with event details in message.
