Section Codes

Course section codes are composed of letters which indicate the hours and days of the week. Thus section AMWA meets at 7:50am on Monday & Wednesday while section BTRA meets at 9:30am on Tuesday &
Thursday. In preparing your schedule, make use of the scheduling grids which appear on the next page. This will help you to avoid conflicts in your schedule.

Room locations that do not appear on your confirmation/bill at registration will be updated prior to the beginning of the semester. It is imperative that you check your CUNYfirst account before the first day of classes, as often classroom assignments change. The College reserves the right to cancel any course or section due to insufficient enrollment or for any other reason it deems necessary. If you have registered for sections that are cancelled, you will be notified and you may change your program without charge.
