Program Description

The Weissman School of Arts and Sciences offers a minor in education. This minor does not satisfy the Tier III requirement (for students following the Baruch Common Core Curriculum) or the Pathways Zicklin School of Business College Option requirement, but it may be taken as a second minor. The minor in education is designed to acquaint students with the theoretical, psychological, and sociocultural issues involved in education. Since Baruch no longer offers an accredited education program, any education credits taken at Baruch after Spring 2001 may not count toward the professional education credits needed for New York State Teacher Certification. However, the minor provides significant depth in important issues in the field. Additional questions regarding the minor should be directed to the program coordinator, Emily Comstock DiMartino, at 646-312-3936.
