Major/Specialization Forms

Every student who wishes to pursue a major in the Weissman School must complete a [Major/Specialization Form](#), ideally before the end of the junior year. The form is completed in consultation with a faculty advisor in the major department. Once the major form is signed by the faculty advisor, the department submits it to the Office of the Associate Dean for school approval.

Double Majors

Weissman School of Arts and Sciences students wishing to complete double majors must file two separate major/specialization forms, each with the appropriate department advisor's signature. The Office of the Associate Dean then approves the two major forms. Please note that both majors must be in Weissman departments.

A double major will appear on a student's transcript only if the courses listed on both forms are completed at the time of graduation. Students who want to combine courses from two disciplines into a single major should consider the Arts and Sciences [ad hoc major](#) option. Students who want to combine a discipline at Baruch College with another at a different senior college should consider the [CUNY BA option](#).

Students who have entered Baruch in spring 2015 or later, and who complete two majors, are waived from College Option requirements other than Great Works of Literature ([ENG 2800](#), [CMP 2800](#), [ENG 2850](#), or [CMP 2850](#)).
