

Real Estate (MBA)

- [For additional program information see the Zicklin School website](#)

The real estate major consists of one required course and three electives. While the required course focuses on real estate finance, the electives allow students to explore a variety of issues related to real estate. These include valuation and market analysis, capital markets, real estate law and transactions, urban economics, and investment analysis and strategies. The [MS program](#) delivers not only core business knowledge and management skills but also knowledge and technical training specific to the real estate industry.
