Real Estate (MBA)

For additional program information see the Zicklin School website

The real estate major consists of one required course and three electives. While the required course focuses on real estate finance, the electives allow students to explore a variety of issues related to real estate. These include valuation and market analysis, capital markets, real estate law and transactions, urban economics, and investment analysis and strategies. The MS program delivers not only core business knowledge and management skills but also knowledge and technical training specific to the real estate industry.
