

Management / Entrepreneurship (MBA)

- [For additional program information see the Zicklin School website](#)

Entrepreneurship is a major aspect of our economy that offers many employment opportunities as well as income and wealth accumulation for diverse groups within our population. The MBA in entrepreneurship is designed to meet the needs of students who have varied or limited backgrounds in entrepreneurial ventures, are part of family businesses, or are interested in starting or growing their own businesses when they graduate. In addition to providing a broad spectrum of business courses, the program is multidisciplinary and includes courses in accountancy, finance, information systems, law, management, marketing, public affairs, and real estate.
