2018-04-25 Meeting notes

Date

25 Apr 2018

Location

Arthur's office Library building, Room: 425

Discussion:

Query request from Arthur for Ziklin school ISS (Information Technology and Statics) group

Attendees:

- Arthur Downing
- Tabassum Lodhi

Request Detail

Donna Haggarty in College Advancement needs the following information regarding students in the Zicklin School's CIS program:

For undergraduate ISS (information systems and statistics) majors
1. Baruch GPA - If they declared a major in ZSB, they had to have a GPA that met the minimum requirement.
2. Race/Ethnicity
3.An indicator of family income or economic status.

For master's degree students in ISS
1. Undergraduate GPA
2. Previous degree/major
3. Race/Ethnicity

Approval of Thoughts/Discussion

- Agreed on to provide the file with separate tabs of ethnicity/race, cumulative GPA, major/plan and presented to Arthur for a review
- Both Graduate and Undergraduate reports will be presented separately to Arthur

Next steps

- Arthur will communicate with Jacob to clarify an indicator of family income or economic status in CUNYfirst
- All data much be verified by Registrar and Financial Aid as they are the data owner
