

Inviting Elected Officials to Your Event

Baruch College welcomes elected officials on campus as part of our educational, civic and cultural responsibilities to our students and the larger community. As you consider any invitation to an elected official, we ask that you coordinate your plans with the College's Director of Government and Community Relations by calling (646) 660-6095 or e-mailing, Eric.Lugo@baruch.cuny.edu. The office is responsible for apprising the President and Cabinet when government leaders are on campus and cataloguing the visits.
