

TRS' Educational Programs

“Getting Ready for Retirement”

A tier-specific program for retirement-eligible members planning to retire within 12 months. The program guides members through the retirement application process and reviews various post-retirement issues to help in their transition to retirement.

“Your TRS Benefits and Services”

A program for Tier IV members who have less than 10 years of membership service. The program reviews TRS benefits and services, and addresses key issues such as purchasing service credit and understanding TRS account statements.

“Tier VI – Planning for Tomorrow”

Designed just for Tier VI members, this program describes TRS benefits, contributions, and services. The session also explains purchasing service credit, enrolling in the Tax-Deferred Annuity Program, and using the TRS website to manage your account.

“Introduction to the TDA Program”

A program for in-service members who have never participated in or have less than 5 years participation in the Tax-Deferred Annuity (TDA) Program. The program explains the benefits and the features of TRS' supplemental retirement plan, as well as the process for TDA enrollment.

Would you like to learn about your TRS benefits or how to be better prepared for retirement? Are you interested in knowing more about your Tax-Deferred Annuity (TDA) Program? If so, you should consider attending one of TRS' educational programs. TRS offers educational programs to eligible members throughout the year in our training facility at 55 Water Street. Our programs cover various subjects related to TRS membership and services.
