IMPORTANT INFORMATION FOR STUDENTS ABOUT THE CONSEQUENCES OF CHEATING AND PLAGIARISM

Academic dishonesty is not tolerated at Baruch College. Cheating, forgery, plagiarism and collusion in dishonest acts undermine the college’s educational mission and the students’ personal and intellectual growth. Baruch students are expected to bear individual responsibility for their work, to learn the rules and definitions that underline the practice of academic integrity, and to uphold its ideals. Ignorance of the rules is not an acceptable excuse for disobeying them. Any student who attempts to compromise or devalue the academic process will be sanctioned.

DO’s

...take the time to get to know your professors
Visit them during their office hours. Your professors are invested in your success, and you never know when you might need a letter of recommendation from them in the future!

...talk with your peers
Start building your social and professional networks by getting to know your classmates, alumni and other Baruch students. Start building your network from day one.

...assess your current skills
Are you a strong writer? Are you detail-oriented? Are you good at quantitative courses? Start thinking about your strengths and weaknesses, and remember these when choosing electives.

...attend a Marxe School event
Check the weekly e-newsletters for events going on in the School, across Baruch, and other CUNY campuses.

...meet with your Academic Advisor!
Schedule a meeting with an advisor before registration begins; attend a speed advisement session and make sure you are on the right track to graduate as you near your last semester.

DON’Ts

...choose just one interest or passion
Try to find ways to combine all of your interests and make full use of offered courses.

...waste your summers
There are many ways you can relax and rejuvenate over your summer breaks. Internships, work, and volunteering allow you to develop your skills and interests while gaining valuable experience.

...choose classes without a purpose
You will perform better if you are genuinely interested in the course topics you choose. Try to take courses that pique your interest, especially electives, regardless of whether they comport with your final career choice.

...ignore deadlines
Almost everything at Baruch College has a deadline, whether applying for graduation, a P/NC grade, withdrawing from a course, filing an academic appeal, or applying for a scholarship. Be extra mindful of all deadlines which can be seen either on your course’s syllabi, academic calendar, or in weekly e-newsletters from the advisement team.

All graduate students must maintain a minimum cumulative GPA (grade point average) of 3.0 to be in "good academic standing" and to graduate with a master’s degree.

If a student’s cumulative GPA falls below a 3.0, the student is automatically placed on academic probation. It is highly recommended that students meet with their academic advisor to review their probationary terms and to create an academic plan that will help them succeed in the program.

NOTE THE FOLLOWING:

Students should take their core courses before elective courses.

The Marxe School does not maintain waitlists or overtally closed courses.

Students are allowed a maximum of 12 credits transferred towards their degree.

Students should not attend school full-time (9 or more credits) while working full-time.

Students are responsible for checking their Baruch College student email since it is the main form of official communication from the College. This is important to stay abreast and informed of any policy or academic updates such as schedule changes, scholarship information, advisement newsletters, new courses, etc.

On the schedule of classes, you can filter the term below the “Institution” field to spring, summer or fall. To view just the January intersession/winter courses, select “winter” under “additional search criteria.”

Courses offered during summer sessions are listed on CUNYFirst. Marxe Graduate Academic Advisement will notify you through Baruch email when they become available to view on CUNYFirst.

IS IT POSSIBLE TO SWITCH OR REGISTER FOR A CAPSTONE SECTION AFTER THE LATE REGISTRATION DEADLINE?

Unfortunately, it is not possible to switch into a different capstone section or register for a capstone after the late registration deadline. Students nearing the end of their degree should calculate when they expect to take their capstone and consult with an advisor to make sure that they are on the right track to graduate. Students should also attend a Capstone Workshop before their last semester. They should make it a priority to register for their capstone as soon as their registration for their last semester opens up.

HOW SOON CAN I ENROLL IN A CAPSTONE?

As soon as you finish all required core courses and complete a total of 33 credits you can enroll in a Capstone class.

Students take the Capstone in their final semester. It is highly recommended that students nearing the end of their degree attend a Capstone Workshop which is offered every semester by the Marxe Graduate Academic Advisement office. Check your Baruch email for workshop dates.

IS IT POSSIBLE TO BE PUT ON A WAITLIST FOR A CLOSED SECTION?

There are NO waitlists for closed sections.

HOW DO I APPLY FOR A PASS/NO CREDIT GRADE?

You must complete the Pass/No Credit (P/NC) form found on the Registrar’s website and submit it to the Registrar’s office before the deadline listed on the academic calendar. The P/NC option can only be used one time for one elective in your program.

IS THERE A TIME LIMIT TO COMPLETING MY DEGREE?

You must complete your coursework within six years of your initial entry.

WHICH ELECTIVES CAN I TAKE AND WHEN CAN I BEGIN TAKING THEM?

You may start taking electives after completing your program’s core classes.

Your letter of acceptance should state whether or not the internship is waived or required. Please contact Marxe Graduate Academic Advisement if you are still unsure.

HOW DO I DECLARE A CONCENTRATION IN MY MPA, MIA OR HEA PROGRAM?

Complete a program plan with your academic advisor or email msplia.advisement@baruch.cuny.edu.

A few core requirements and electives are offered in the winter and summer sessions. Check the online schedule of classes for current offerings.

ARE THERE GRADUATE CLASSES OFFERED DURING THE AFTERNOON AND DAY TIME?

There are few courses offered during the day time (prior to 6:00pm), but most courses begin at 6:05pm. Check the schedule of classes to see class times and availability.

AS A GRADUATE STUDENT, CAN I TAKE AN UNDERGRADUATE CLASS FOR MY ELECTIVE?

As a graduate student, you CANNOT take an undergraduate course as one of your electives.

CAN I TAKE COURSES AT OTHER CUNY COLLEGES AND PUT THEM TOWARDS MY DEGREE?

You can take courses at other CUNY campuses. In order to take classes at other CUNY campuses, you are required to send course descriptions or syllabi to Marxe Graduate Academic Advisement. Once it is pre-approved, you can request an ePermit through the CUNY portal.

It is possible to take courses at other schools within Baruch College; however, you must receive permission from Marxe and the respective department in the other school in order to be able to register for the class.

HOW CAN I FIND OUT IF MY CREDITS ARE TRANSFERABLE FROM ANOTHER GRADUATE PROGRAM?

You must speak with an academic advisor and be able to provide syllabi and transcripts of the graduate-level courses you would like transferred. Graduate courses that are already counted towards a graduate degree cannot be used towards Marxe graduate degree.

ARE THERE SCHOLARSHIPS AVAILABLE FOR MARXE SCHOOL GRADUATE STUDENTS?

HOW DO I APPLY FOR GRADUATION?

Graduation is not automatic. Attending a graduation ceremony does not mean a student has graduated. Students must apply for graduation through CUNYFirst. Search for “Application for Graduation” on the Registrar’s website.

Students are strongly encouraged to attend a graduation workshop before they apply for graduation. Check your Baruch email for scheduled workshops.

WHERE CAN I PICK UP MY DIPLOMA?

The diplomas for graduate students are available approximately 6 to 10 weeks after the degree conferral date. Once ready for pickup, the Registrar’s office will send you an email to your Baruch email account, instructing you on proper procedures for picking up your diploma.
Any Marxe graduate student who wants to take more than 9 credits (full-time) in a given semester must consult with an academic advisor and get permission to do so.

Please email your advisor or mspiadvisement@baruch.cuny.edu.

The Schedule of Classes is available prior to each registration period for the upcoming semester for students to search for classes, instructor names, and course information. Students may add courses to their shopping cart prior to their registration time. To register for classes and be assured of a seat, click “Enroll” and “Finish Enrolling”. Neither instructors nor advisors can add seats to a closed class.

Courses with section codes XMP and NUF are not open for registration by traditional MPA, MIA, or MSEd-HEA students. A course with a NET section code indicates it is taught fully online or in a hybrid mode. Hybrid classes meet for some sessions in a classroom and at other times fully online.
