Eligibility:
- Students must be college juniors, seniors, or graduate students.
- Accomplished students from all majors (including math, computer science, business, marketing, communications, etc.) are encouraged to apply.

Applications deadline: Thursday, December 1st by midnight Eastern Standard Time

http://irtsfoundation.org/summer-fellowship-program/

**Congress-Bundestag Youth Exchange for Young Professionals (CBYX)**

The Congress-Bundestag Youth Exchange for Young Professionals (CBYX) is a reciprocal exchange program between the United States and Germany.

Eligibility:
- U.S. citizens and U.S. permanent residents
• Between 18 and 24 years old  
• A high school diploma, Undergraduate or recent graduate  
• Students in all career fields

*Application deadline: December 1, 2017*

**SMART Scholarship (Science, Math and Research for Transformation)**

The Science, Mathematics and Research for Transformation (SMART) Scholarship for Service Program is an opportunity for students pursuing an undergraduate or graduate degree in Science, Technology, Engineering, and Mathematics (STEM) disciplines to receive a full scholarship and be gainfully employed upon degree completion.

**Eligibility:**

• A U.S. citizen at time of application,  
• 18 years of age or older as of August 1, 2017,  
• Able to participate in summer internships at DoD laboratories  
• Willing to accept post-graduate employment with the DoD,  
• Minimum cumulative GPA of 3.0 on a 4.0 scale and, pursuing an undergraduate or graduate degree in one of the disciplines listed on the About SMART page.

*The application traditionally opens in August and closes in December annually.*

[http://smart.asee.org/](http://smart.asee.org/)

---

**Google Anita Borg Memorial Scholarship**

The Google Anita Borg Memorial Scholarship hopes to encourage women to excel in computing and technology and become role models and leaders.

**Eligibility:**

• Full-time students entering their senior year or enrolled in a graduate program in the U.S in the fields of Computer Science, Computer Engineering, or a related technical field.  
• Cumulative GPA of at least 3.5

*Application deadline: December 11, 2017*

---

**Blakemore Freeman Fellowships for Advanced Asian Language Study**

This fellowship is awarded for one year of advanced level language study in approved language
programs in East or Southeast Asia. Qualifying languages include Chinese, Japanese, Korean, Vietnamese, Indonesian, Khmer, Malaysian, Tibetan, Thai, and Burmese.

Eligibility:
• Seniors or recent graduates pursuing an academic, professional, or business career that involves the regular use of a modern East or Southeast Asian language
• Be at or near the advanced level in the language
• U.S citizen or permanent resident
• GPA of 3.0 or higher recommended

Application deadline: December 30, 2017

http://blakemorefoundation.org/

National Defense Science and Engineering Graduate Fellowship

The Department of Defense offers National Defense Science and Engineering Fellowships to individuals who have demonstrated special aptitude for advanced training in the sciences and engineering.

Eligibility:
• Applicants must be enrolled in their final year of undergraduate studies or have completed no more than the equivalent of one academic year of full-time graduate study in disciplines of interest to the Department of Defense

Application deadline: December 31, 2017

http://ndseg.asee.org/

Elie Wiesel Prize in Ethics Essay Contest

Eligibility:
• Full-time juniors and seniors at accredited four-year colleges or universities. The website provides an annual essay question.

Award: $500-$5,000

Deadline: December, 2017. Check back for updates

http://eliewieselfoundation.org/prizeinethics.aspx
Cultural Vistas Fellowship

The Cultural Vistas Fellowship is a summer internship program that annually provides 10 or more underrepresented U.S. university students, with full funding, support, and the unique opportunity to advance their career goals and experience life in another culture.

Eligibility:

- Completed 4-year degree or graduating senior; minority students;
- Any US Citizen or permanent resident who can demonstrate a commitment to the Consortium’s mission is eligible to apply

Early Application Deadline: Oct. 15, 2017
Traditional Application Deadline: Jan. 5, 2018

http://www.cgsm.org/

Humanities and Medicine Program of the Mount Sinai School of Medicine

The Mount Sinai’s School of Medicine Humanities and Medicine Program is designed to attract highly motivated undergraduates majoring in the Humanities and the Social Sciences to a career in medicine. Successful completion of program requirements qualifies students for admission to the Mount Sinai School of Medicine upon graduation from their undergraduate institution.
Eligibility:
• Sophomore students that have at least one year or biology and chemistry
• Students must submit SAT scores, high school transcripts, letters or recommendation and written application materials.

Application deadline: January 15, 2018

http://icahn.mssm.edu/education/medical/admissions/flexmed

CUNY Pipeline Program

The Pipeline Program is a CUNY-wide initiative designed to provide educational and financial support to CUNY undergraduates from groups currently underrepresented in our nation's universities who are interested in pursuing a Ph.D. in preparation for college-level teaching and advanced research. Eligibility Requirements

In order to qualify for admission into the CUNY Pipeline Program, a student must:
• Be a U.S. citizen or permanent resident.
• Have an interest in pursuing a career in college teaching and research.
• Have a minimum GPA of 3.2.
• Be scheduled to graduate in the spring of the senior (or final) year.
• Be a junior enrolled in one of CUNY’s senior colleges and have earned at least 80 credits.
• Be a full-time registered student in one of the CUNY senior colleges.

Other Rules
• Students majoring in law, business, or medicine are not eligible to participate in the Pipeline Program.

Application deadline: January 15, 2018

http://www.diversiphd.com/how/

Kosciuszko Foundation Tuition Scholarship

Kosciuszko Foundation Tuition Scholarships support American students of Polish descent for graduate studies at colleges and universities in the United States.

Eligibility:
• United States citizens and permanent residents (green card holders) of Polish descent who are beginning or continuing their graduate studies and who have a minimum GPA of 3.0.
• Students must be full-time, all majors are eligible for scholarship funding.

Application deadline: January 16, 2018

https://www.thekf.org/kf/scholarships/tuition/ts/
Coro Fellows Program in Public Affairs

The Coro Fellows Program in Public Affairs consists of a nine-month, full-time, post-graduate experiential leadership-training program.

Eligibility:
- Individuals who have recently received a bachelors or masters degree

Application deadline: January 17, 2018

http://www.corofellowship.org/

Department of Energy Computational Science Graduate Fellowship

The Department of Energy Computational Science Graduate Fellowship (DOE CSGF) supports students pursuing doctoral degrees in fields of study that use high performance computing to solve complex science and engineering problems. Computational science is an interdisciplinary approach that uses algorithms, mathematics, and computers to analyze and solve scientific and engineering problems. The fellowship seeks to ensure an adequate supply of trained scientists and engineers to carry out DOE’s mission in Computational Sciences.

Eligibility:
- Applicants must be US citizens or permanent residents with high GPA’s
- Senior undergraduates or first/second year graduate students and must pursue full-time study towards a Ph.D at a U.S institution and must attend practicum at a Department or Energy lab

Application deadline: January 17, 2018

http://www.krellinst.org/csgf/

Science Undergraduate Laboratory Internship (SULI) Program

Research interns spend 10 weeks (summer term) or 16 weeks (semester term) at a DOE laboratory engaged in a research project under the guidance of a laboratory scientist or engineer.

Eligibility:
- Must be currently enrolled as a full-time undergraduate student at an accredited institution, and also have completed at least one year as a matriculating undergraduate student at the time of applying (additional undergraduate credits obtained prior to enrollment cannot be applied to meet the minimum one-year completion requirement).
- Must have an undergraduate cumulative minimum GPA of 3.0 on a 4.0 scale for all completed courses as a matriculating student.
- Must be 18 years or older at the time the internship begins.
• Must be a United States Citizen or Lawful Permanent Resident at the time of applying.
• Must have earned a high school diploma or General Education Development (GED) equivalent at the time of applying.
• Applicants are limited to participation in the SULI program to no more than two internships.
• Applicants can apply to the SULI program a maximum of three times

*Application deadline: January 12, 2018*

[https://science.energy.gov/wdts/suli/how-to-apply/](https://science.energy.gov/wdts/suli/how-to-apply/)

---

**The Barry Goldwater Scholarship**

The Goldwater Scholarship Program seeks to identify and support college sophomores and juniors who show exceptional promise of becoming this Nation’s next generation of research leaders in these fields.

**Eligibility:**

- Be a full-time matriculated sophomore or junior pursuing a degree at an accredited 2- or 4-year institution of higher education during the 2017-2018 academic year
- Intend to pursue a research career in a natural science, mathematics or engineering
- Have a college grade point average of at least a 3.00 on a 4.00 scale
- Be a U.S. citizen from the 50 states or the District of Columbia
- A U.S. national for those students nominated from Puerto Rico, Guam, Virgin Islands, American Samoa, and Commonwealth of the Northern Mariana Islands
- A permanent resident. A permanent resident nominated for the scholarship must include letter stating his/her intent to become a U.S. citizen. A photocopy of the nominee’s Permanent Resident Card, also known as the Alien Registration Card or Green Card, must also be submitted.

*Deadline: Last Friday in January (January 26) 5PM Central Time*

Application deadline: January 26, 2018

https://nywici.org/students/scholarships

GFOA Minorities in Government Finance Scholarship

The Government Finance Officers Association encourages the pursuit of careers in government finance and management. In the interest of assisting students in advancing in these areas, the GFOA offers student opportunities through Internships and Scholarships.

Application deadline: January 26, 2018

http://www.gfoa.org/scholarships

Microsoft Tuition Scholarship

Microsoft awards tuition scholarships and conference scholarships each year to encourage students to pursue studies in Computer Science and related STEM (Science, Technology, Engineering, and Math) disciplines.

Eligibility:
• You must be enrolled full time in a bachelor’s degree program at a four-year college or university in the United States, Canada, or Mexico at the time the application is submitted;
• The scholarship is open to students pursuing Computer Science, Computer Engineering, or a related STEM degree;
• Maintain a 3.0 cumulative grade point average out of a possible 4.0

Application Deadline: January 27, 2018

https://careers.microsoft.com/students/scholarships

The Point Foundation LGBT Scholars

Point Foundation empowers promising lesbian, gay, bisexual transgender, and queer students to achieve their full academic and leadership potential – despite the obstacles often put before them – to make a significant impact on society. Point provides scholarship support. Point scholarships are awarded on a "last provider" basis. Point fills in the gaps and provides funds not provided by other scholarships, grants, loans, work/study programs, etc.
Required Supplemental Materials (for Semi-Finalists only): 2-3 letters of recommendation, transcripts, and verification of test scores that are submitted in the application, resume/CV, financial aid award, and essay.

Eligibility:
- Individuals who receive a Point Scholarship Award and support are expected to be “out” as a person who identifies within the LGBTQ spectrum—lesbian, gay, bisexual, transgender, queer.
- Each person who applies for a Point Scholarship is evaluated on the totality of his or her situation.
- Academic achievement, personal merit, leadership, involvement in the LGBTQ community, professional experiences, financial need, marginalization, personal and future goals are all taken into consideration.

Application deadline: January 29, 2018

http://www.pointfoundation.org/

The National Oceanic and Atmospheric Administration (NOAA) Ernest F. Hollings Scholarship

The Ernest F. Hollings Undergraduate Scholarship Program is designed to provide selected undergraduates with a scholarship award of up to $8,000.00 for two academic years of full time study and a ten-week internship during the summer at a NOAA facility.

Eligibility:
- Applicants must be U.S. citizens enrolled as a full-time second year student in a four-year institution or a full-time third year student in a five-year program at an accredited college or university within the United States or U.S territories.
- Students must earn and maintain a 3.0 grade point average on a 4.0 scale and have declared a major in a discipline including but not limited to, oceanic, environmental biological and atmospheric sciences, mathematics, engineering, remote sensing technology, physical and social sciences, including geography, physics, hydrology, geomatics, or teacher education that supports NOAA’s programs and missions.

Application deadline is January 31st, 2018

http://www.noaa.gov/office-education/hollings-scholarship

The Woodrow Wilson Teaching Fellowship

The Woodrow Wilson Teaching Fellowship seeks to attract talented, committed individuals with backgrounds in the STEM fields—science, technology, engineering, and mathematics—into teaching in high-need secondary schools in Georgia, Indiana, Michigan, Ohio, and New Jersey.

Eligibility:
- Current undergraduates, recent college graduates, midcareer professionals, and retirees who have majored in, or had careers in STEM fields.
Collegiate Leaders in Environmental Health (sponsored by US Centers for Disease Control and Prevention)

This is a paid 10-week summer environmental internship for undergraduate students who are passionate about the environment, interested in human health, and curious about how they are linked.

Eligibility
- US citizenship or Permanent Resident with a green card
- Full time enrollment at a college or university as a rising junior or rising senior by fall
- Minimum cumulative GPA of 3.0 on a 4.0 scale
- An academic major or demonstrated coursework concentration in environmental studies, environmental, physical, biological chemical and/or social sciences (if applicants are not majoring in one of these areas they can make the case for why their major or interests are applicable to this internship in essay #2)

2018 application dates are to be announced
Typical Application Deadline: January/February

http://www.cdc.gov/nceh/cleh/

FEBRUARY DEADLINES

Amgen Foundation Scholarship Programs

The Amgen Scholars Program provides approximately 250 undergraduates each summer with the opportunity to engage hands–on research experience at some of the world’s leading educational institutions.

Eligibility:
- U.S. citizens or permanent residents
- Sophomores (with four quarters or three semesters of college experience), juniors or non-graduating seniors (those returning in the fall to continue undergraduate studies.)
- A cumulative grade point average of 3.2 or above
- An interest in pursuing a Ph.D. or an MD/Ph.D.

Application deadline: February 1, 2018

http://www.amgenscholars.eu/
The Leadership Alliance Summer Research – Early Identification Program (SR-EIP)

Offers undergraduates, interested in pursuing a PhD or MD-PhD, the opportunity to work for eight to ten weeks under the guidance of a faculty or research mentor at a participating Alliance institution.

Eligibility:
- Currently enrolled full-time in an accredited public or private college or university
- Be in good academic standing with a GPA of 3.0 or better.
- Demonstrate interest and potential to pursue graduate study toward a PhD or MD-PhD.
- Have completed at least two semesters and have at least one semester remaining of their undergraduate education by the start of the summer program.
- Be a US citizen or have permanent resident status at the time of application.

Note: The SR-EIP is not designed for students pursuing professional training for careers in the practice of law, business administration, clinical medicine, clinical psychology or the allied health professions.

Application deadline: February 1, 2018

http://www.theleadershipalliance.org/programs/summer-research

The Rockefeller University Summer Undergraduate Research Fellowship (SURF) Program

Provides a unique opportunity for undergraduates to spend 10 weeks during the summer in a Rockefeller University laboratory conducting laboratory research.

Eligibility:
- College sophomores and juniors

Application deadline: February 1, 2018

http://www.rockefeller.edu/surf/

SME Education Foundation Scholarship

SME Education Foundation scholarships provide financial support to students pursuing a degree in an engineering discipline closely related to manufacturing or a technology field of study related to manufacturing.

Eligibility:
- Applicants must be graduating high school seniors, current undergraduate or graduate students who will be enrolling as full-time undergraduate or graduate students attending accredited colleges or universities in the U.S. or Canada for the next fall term.
• Applicant must be residing in the U.S. or Canada at the time of application. A permanent U.S. or Canadian address is required on the application.
• Applicant must have a minimum GPA of 2.0 on a 4.0 scale or 70 on a 100 point (%) scale. Most scholarships have a minimum GPA of 3.0/80.

Registration begins November 2017
Application deadline: February 1, 2018

https://scholarships.smeef.org/applications/register.asp

The Vanderbilt Institute for Nanoscale Science and Engineering (VINSE)

The Vanderbilt Institute for Nanoscale Science and Engineering (VINSE) brings ten students each summer to campus to work closely with VINSE faculty on research projects in cutting edge areas of nanoscale science and engineering.

Eligibility:
• Students who are US Citizens or Permanent Residents majoring in science or engineering are eligible to apply to the REU program.
• Students from underrepresented groups and institutions are strongly encouraged to apply.

The application deadline is February 15, 2018

http://www.vanderbilt.edu/vinse/reu/

American Bar Association (ABA) Summer Research Diversity Fellowships in Law and Social Science for Undergraduate Students

The American Bar Foundation is pleased to sponsor an annual summer research fellowship for undergraduate students from diverse backgrounds interested in pursuing graduate studies in the social sciences.

Eligibility
• American students including, but not limited to, persons who are African American, Asian American, Hispanic/Latino, or Native American, as well as other individuals who will add diversity to the field of law and social science, such as those who identify as LGBQT+ and those with disabilities.

**National Institutes of Health (NIH) Undergraduate Scholarship Program**

The NIH Undergraduate Scholarship Program offers competitive scholarships to students from disadvantaged backgrounds that are committed to careers in biomedical, behavioral, and social science health-related research. The program offers scholarship support, paid research training at the NIH during the summer, and paid employment, and training at the NIH after graduation. Applicants must be U.S. citizens, nationals, or qualified noncitizens. Applicants must also be enrolled or accepted for enrollment as full-time students at accredited 4-year undergraduate institutions. The program is targeted at students from disadvantaged backgrounds. This means that the applicant's financial aid office must certify that the applicant has "exceptional financial need." A further requirement is a 3.5 GPA on a 4.0 scale or being within the top 5 percent of the applicant's class. Top consideration is given to applicants who have completed at least 2 years of undergraduate course work, including four core science courses and are classified by their educational institutions as juniors or seniors as of the beginning of the academic year of scholarship.

2018-2019 application opens on January 4, 2018 and closes March 14, 2018
