**AGREEMENT**

I, \_\_\_\_\_ (full name), agree to participate in the Science and Technology Entry Program (STEP) at Baruch College. As a participant, I will attend the activities as scheduled, I will arrive on time, and I will put forth my best effort as a participant. I understand that continued participation in STEP requires a commitment that I attend the program sessions regularly and on time. I will behave in an acceptable and mature manner while contributing to a collaborative and supportive learning environment. I understand that students are allowed **no more than two absences per semester**. Two late arrivals equals an absence. Removal of a student from the program is at the discretion of the director. Emails sent home about excessive lateness/absences will serve as warnings. Once a student is removed from the program, the only way to rejoin will be through a scheduled interview (including a parent) with the director before the following semester.
