Leonard Jacobs

Leonard Jacobs is the current Director of Cultural Institutions at the New York City Department of Cultural Affairs. He is also a longtime arts journalist, critic, author, blogger and practitioner.

Leonard Jacobs is the founder and editor emeritus of The Clyde Fitch Report. Leonard is a former national editor of Back Stage, the trade publication for American actors, and founding editor of Theatermania.com; he also authored the book Historic Photos of Broadway. In addition to publishing the CFR, he is a freelancer and consultant. He appears regularly as a commentator on the FoxNews.com's live-streaming daily public affairs program The Strategy Room. He is a sixth-generation New York Democrat.
